AUTHORISED, SERVICING DEALERS. SEE OUR WEBSITE FOR YOUR NEAREST.

LAWNBOS

- 'Tuff Torq' hydrostatic transmission fitted as standard – smooth and quiet,
- Powered by 15.5HP (11.6Kw) Briggs and Stratton engine with electric start, overhead valves and all the grunt you'll need to power around typical small acreage plots.
- Your choice of 32" or 38" cutting decks. We recommend that you discuss your requirements with your Cox Dealer to get the right deck for you.
- The LawnBoss design allows for easy maintenance.
- Formed and welded, heavy gauge, steel cutting decks.
- Straight line 'B section' drive belts provide direct, positive power, reduced wear and easy DIY replacement.
- Laser 'cut & keyed' unitary chassis allows precise alignment of components and delivers maximum durability.
- Engineered & built by Cox, Australia's legendary ride-on mower specialists.
- Local parts available ex stock. No waiting for parts from overseas warehouses.
- Service by factory trained Cox specialists.

OPERATOR COMFORT

Ergonomically designed wheel and rake angle. Greater comfort and improved forward vision.

EASY CUTTER ENGAGE

Easy-action cutter deck engage – conveniently positioned, heavy-gauge steel.

INDUSTRIAL GRADE POLYPROPYLENE BODY

PANELS Can't rust, resists scratches and minor dings, complete with drink holder and tool space.

SINGLE PEDAL CONTROL

Easy, toe/heel control over forward/reverse – no grasping for levers.

FABRICATED 'FLOATING' DECK

Engineered to glide over uneven turf, 'reduces scalping'.

PIVOTING FRONT AXLE

As fitted to far more expensive machines, LawnBoss' pivoting front axle irons out ground undulations.
